

PURCHASING GUIDE

TheraSimplicity is introducing a new pricing structure. With this new pricing of \$49 per username and password, TheraSimplicity will no longer be offering further discounts. This incredible price is available due to the tremendous support and loyalty of our subscribers.

P Product

TheraSimplicity is an online based materials system that allows therapists and educators to log in, customize, create and save their therapy materials. Because TheraSimplicity is web based, you can access **Online, Anytime, Anywhere!**

P Pricing
